Atari Demo disk (Disk: DXN 411)

Atari Benelux created several demos to be used in Dutch and Flemmish stores. Looking at the title of one of the demos (Side B), this demo is probably also used during the Dutch Atari Homecomputer show on tour.

**ATR-files:**

DXN 411 Side A: DEMODSKA.ATR
DXN 411 Side B: DEMODSKB.ATR

Besides this original Atari Benelux disk, a variation of the demo of side A was also distributed.

Alternate Side A: DEMODSKC.ATR
