The new USB Host/Slave Cartridge

Pictures by Harry Reminder

Design by Harry Reminder and Thomas Grasel

- Host Cartridge:

- Slave Cartridge:

- Front of USb Cart:

- Back of USB Cart:

- USB_Cart_11.png:

The blueprint version 1.1 need two changes:

- the USB Controller Reset-Pin must be connected to a reset-circuit
- the mode-pins of the USB-Controller must be connected to ground
